President's Message

Greetings PTA leaders and wonderful volunteers!!

I am honored and pleased to be able to serve as your council president for the second year. As I finish my 2-year term, I hope I can continue to assist you in this rewarding journey of promoting the welfare of our children and strengthening the relationships between families and our schools and communities.

I want to thank you for accepting your leadership roles and express the importance you all are making not only in the lives of your own children, but all the children at your school. Let's remind ourselves why we do what we do and adhere to the mission of PTA to positively impact the lives of all children and families.

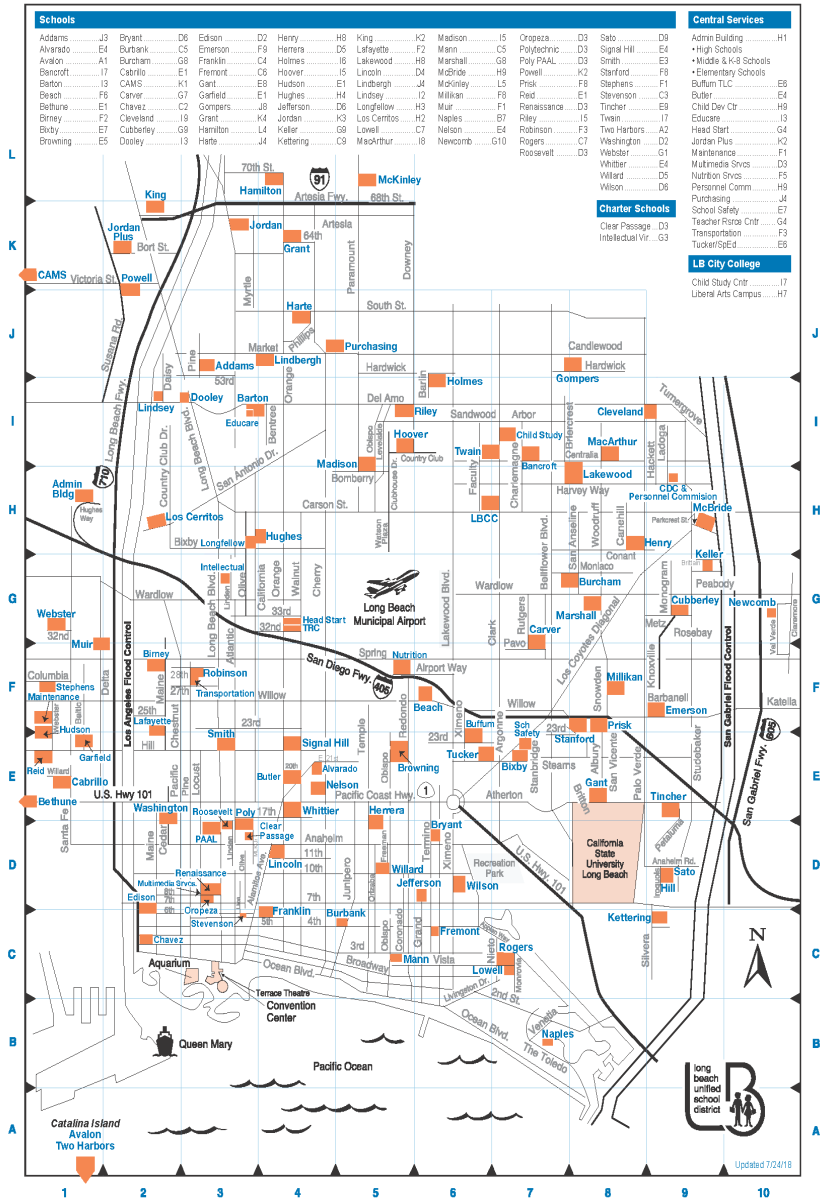

Looking at the history of Long Beach Council PTA's accomplishments for the past 100+ years, I am proud to be a part of this great organization in which you all are a part of as well. Our goal is to provide support and training to you at the unit level and to assist you in making your term of office as successful as possible. Please utilize your area advisor, the financial team, me and any other council officer to assist wherever and whenever needed.

Good Luck and Best Wishes to you all!
